advertise in the 07-08 gore girls calendar!

That's right! The '07-'08 Gore Girls Calendar is currently in fast pre-production before being shipped off to the presses! In the meantime, Bloodwerks Photography is currently looking for businesses, bands, local artists, production companies, record labels, etc., that are interested in advertising in the calendar itself! For the low price of \$75, you can receive a 2" x 2" full color advertisement of your logo on the back of the Gore Girls Calendar! Space is limited and we expect this offer to fill up fast, so fill out this form and submit it a.s.a.p!
